Footnote #	Footnote Narrative
1	Sliding fee scale based on household income and number of dependents.
2	An hourly rate fee is added for those projects that require more than the projected average number of staff hours.
3	Move towards Board of Supervisor policy of full cost recovery.
4	Veterans with an honorable discharge operating a business in the incorporated and unincorporated areas of the county and subject to these fees will receive an exemption from health permit and other Environmental Health fees as authorized by the Business and Professions Code, Sections 16000 et seq.
5	Non-profit organizations with proof of non-profit status will receive an exemption from these Environmental Health Fees.
6	Under the authority of the Health Officer and mandate of the Department of Public Health to prevent the spread of communicable diseases or occurrence of additional cases (California Health and Safety Code section 120175), fees may be waived or reduced to an amount a patient is able to pay
7	All significant supplies and medications are additional at a rate not to exceed direct and indirect costs.
8	Non-profit organized camps are exempted from the fees in this program.
9	In addition to the County approved fee, an additional State surcharge is applicable and is subject to change after this publication
10	Multiple program fee adjustment of \$49/additional program when facilities are subject to two or more programs.
11	This fee will be charged at 1.5 times the hourly rate when work is performed during overtime conditions.
12	The Director of Environmental Health is authorized to waive fees for applicants who are seeking to reconstruct legally constructed homes and other structures, including associated grading, that were destroyed as a result of a natural or manmade disaster, where the Board of Supervisors adopts a resolution declaring such a disaster.
13	Fee charged offsets fiscal year costs.
14	The CUPA may authorized a CalARP facility risk management plan audit in compliance with CCR, Title 19, Division 2, Chapter 4.5, Section 2775.2 and CUPA Policy P-04 to be conducted by the County's consultant. The fee is charged to the CalARP facility and passed through to the consultant.
15	Environmental Health may authorize a consultant to review and oversee site remediation/clean up projects. Review and oversight consists of but not limited to review site work and safety plans, oversee customer field work to verify compliance with site health and safety plans, review phase I and phase II site investigation reports, and provide verbal and written reports to Environmental Health regarding site closure and /or required mitigation. Actual cost of consultant is charged to the customer and passed through to the consultant.
16	The Nursing unit uses office visit procedure codes defined by Medi-Cal CPT codes established by the American Medical Association. These office visits include staff time associated with the procedure. Associated supplies are added to office visit based on a quarterly updated supply list as referenced in footnote #7.
17	H&S Code 1281 and Penal Code 13823.9 deals with the standards of sexual assault exams
18	The charges do not include Public Health Laboratory fees. Please see Public Health Laboratory fee schedule for specific laboratory tests associated with SART/SCAN exams
19	MMIC program is only allowed to charge Medi-Cal clients 50% of the approved fee, per State of California guidelines. State surcharge amount is over and above the local MMIC fee. Surcharge is based on State notification and is subject to change during the year.
20	A fee equal to the County's direct and indirect costs, including the costs of County consultants shall be paid to the County for Trauma Center Application and associated annual monitoring. The County will estimate the probable costs of such application and processing and require a deposit in the amount of such probable costs to accompany such applications. Prior to acting on such applications, the County will notify the applicant before the County shall act on the application
21	A fee equal to the County's direct and indirect costs, including the costs of County consultants shall be paid to the County for STEMI Designation application and associated annual monitoring. The County will estimate the probable costs of such applications. Prior to acting on such applications, the County will notify the applicant before the County shall act on the application
22	Hourly Program Review Fee when consultation is requested for EMT or Paramedic training programs.
23	In high-risk cases/situations where the health and well being of a client or the public are deemed to be at public health risk, Public Health Nurse Case Managers/Public Health Nurse Supervisors are authorized to waive required fees.
